TWO IMPORTANT MATTERS BEFORE THE CONVENTION

Powder Question and Matter of Wage Increase Will Provide Work

RESOLUTION IS PRESENTED

Cost of Living Has Increased and Innovations in Mines Has Meant Reductions

Local interest centers in the National convention of United Mine Workers of America which opened at Indianapolis yesterday. This convention will remain in session 11 days, at which time demands for a new scale of wages will be formulated, together with such other demands as the convention may see fit to impose.

Although the tellers for computing the vote for National officers by the various local unions over the country have not yet announced the result, it is definitely known that Thomas L. Lewis has been re-elected president after a bitter contest. At the opening session yesterday this claim was disputed by Lewis' opponent, Wm. Green of Ohio, and a somewhat stormy scene was enacted. It is probable, however, that strong efforts will be made to allay the internecine strife that has existed within the organization, particularly in the Fifth district, where District President Francis Feehan has had some clashes with National President Lewis. As these differences have practically resulted in a drawn battle, President Feehan retaining his prestige and support in his own district, while National President Lewis has been re-elected and supported by the country at large, it is probable that a truce may be declared, and all previous differences laid aside.

That the chief work of the convention will be devoted to the demand for an advance of wages and a settlement of the powder question, which has been presented the various locals in this district as a line of action for their delegates to the Indianapolis convention to follow:

"Whereas, The cost of living since 1906 has increased about 20 per cent, and no advance has been granted by the operators during the past four years; and

"Whereas, The system of screening the coal before it is weighed is both unfair and unjust, the operators enforcing a reduction through the methods of dumping coal, and by requiring the miners to use new explosives, which breaks the coal to a greater extent, the results of a test conducted by the International officials at the Charleroi mine showing that the miners have suffered a reduction of about 7 per cent during the present scale year; therefore be it

"Resolved, That in view of these facts that we, the members of Local Unions demand an increase of ten cents per ton, and that the coal shall be weighed on a run-of-mine basis exclusively, and that there shall be a uniform day wage scale for outside and inside labor, and a uniform agreement on deductions for the organization in all the districts comprising the Interstate joint agreement."

While other minor demands may be made from the operators the substance of this resolution will comprise the points on which a bitter contest may be waged. In addition to the demands for an advance in the scale, the demand that run-of-mine coal be the exclusive basis, is a most important

Street Car Has Its Turn at Doing Stunts

A north bound Pittsburg car in charge of Conductor Samuel Michener and Motorman Freeman Johnson went off the track a few rods north of the Speers station this morning. The car was due in Charleroi at 9:15 o'clock. A wreck crew was sent from the local barn and the car was replaced. Transferring of passengers around the wreck was necessary. There were several passengers on the car, it is stated, who were compelled to walk some distance to get another car.

LUTHER LEAGUE WORKERS WILL HOLD RALLY THIS WEEK AT MONONGAHELA

A Luther League rally will be held at the Monongahela Lutheran church on Thursday evening of this week under the direction of the Pittsburg Central Luther League and the Tri-Luther League of the Monongahela valley, comprising the leagues of Charleroi, Monongahela and Monessen. The services will be in charge of Rev. M. M. Albeck of Monongahela. The principal speaker will be Rev. W. E. Baure of Pittsburg who will speak on "Lenten Observance." Harry Gehring of Charleroi, secretary of the Pittsburg Central Luther League, will make an address on "The Possibilities of the Luther League." Discussion will follow. The rally will be an open one for the various league members and their friends of this section. It is supposed that a large number will go from Charleroi.

Neighbors Give Surprise.

A surprise party was tendered Mr. and Mrs. Frank Haywood at their home at Dunlevy last night which was a highly enjoyable affair. Mr. and Mrs. Haywood expect to leave for Kansas in about a month where they will make their future home. About 77 guests were present last night and they presented the host and hostess with a handsome rocker besides numerous other presents as a token of their esteem. Lunch was spread in the house of Mat Lynn, a brother of Mrs. Haywood who lives next door, where there was abundance of good cheer. The departure of the Haywood family will be regretted by their friends and neighbors.

Mrs. Pauline Rush, after a visit in Charleroi with friends, left today for Roncavette, W. Va., her home.

feature, as on its adoption hinges the settlement of the powder question, which very nearly precipitated a strike in this district during the past year, when the mine inspectors in many localities prohibited the use of black powder and ordered the use of new explosives. This, the miners claimed, reduced their earnings where screened coal was the scale basis, on account of the new explosives breaking up the coal more than the use of black powder.

After the Indianapolis convention the operators and miners will meet jointly at Toledo to agree upon a wage scale. The present scale expires April 1. This date will mark the beginning of a gigantic wage struggle if no agreement is reached. It is generally believed that there will be no strike, although the miners look for a suspension of a month or two of all operations before a scale is ultimately signed.

TEACHER ELECTED TO FILL VACANCY

The school board at a called meeting last night elected Miss Daisy Porch of Johnstown teacher to fill the vacancy existing in the fourth grade of the Crest avenue schools. The place was left vacant by the resignation of Miss Bertha Hawthorne who was married to Thomas L. Pollock, a well known Washington county instructor during the holidays. Miss Verne Horton of Oakmont was elected to the position and took her place on January 3 but remained only one day, resigning at the next meeting of the board. Miss Price G. Frye of Charleroi has been substituting.

Rev. Bemis Will Be Installed as Pastor of Church

This evening at the McClellandtown Presbyterian church, Rev. C. O. Bemis, the preacher over whom the Redstone Presbytery had much controversy, will be installed as pastor. The sermon will be preached by Rev. T. S. Negley of Little Redstone church. The charge to the pastor will be delivered by Rev. Perrin Baker of Belle Vernon and Rev. H. O. McDonald of Monessen will deliver the charge to the people.

Rev. Bemis has been stated supply of the congregation since last September, and at the last meeting of the Redstone Presbytery was made the regular pastor, upon the petition of members of the church.

Rev. Bemis was dismissed from the Presbytery at a meeting in Belle Vernon about three years ago, but refused to leave. Later he was again dismissed but still stuck to his job. The affair caused much trouble, but now all matters have been patched up.

Notice to the Public

We have been informed that certain persons are going around soliciting an exchange of our premium tickets for the S. and H. green trading stamps, stating that we have discontinued giving our premium tickets. No such action has been authorized by us as we still continue giving our premium tickets. Our tickets are worth 5 cents on the dollar for any one of our premium articles and will be redeemed by us at their value.

Miss Mayme McGee, a teacher in the Ninth street school, has been off duty on account of illness. Miss Meyers, the principal of the Ninth street school, has been substituting for her.

Mrs. R. Parks is spending the day in Donora with relatives and friends.

Mrs. Harry Mann of Monongahela, who has been visiting her parents, Mr. and Mrs. W. H. Zellars of the Hotel Charleroi, this morning went to Donora.

F. W. Jones is a visitor today in Pittsburg.

J. E. Masters is a business visitor today in Pittsburg.

B. J. Brading of Providence, R. I., has arrived in Charleroi for a visit with friends.

Mrs. Herman Sturz has come to Charleroi from Brownsville for a visit with friends.

The 10-cent social announced by the Altar Guild of St. Mary's Episcopal church takes place tonight at 8:30 o'clock. Some of the attractions are chicken sandwiches, ice cream, cake, hot coffee, hot cocoa and the public is invited to partake of these delicacies.

W. B. Pfleghardt, the well known Fallowfield avenue furniture dealer, left last evening on a trip to Chicago, Ill., and to Grand Rapids, Mich., on a business and pleasure trip. Mr. Pfleghardt will visit the large furniture houses and factories in both these cities, and make some arrangements for the installing of a new line in his mammoth store which is now in the course of erection here.

Frank Taylor was a visitor in Pittsburg last night, going down to see C. W. Albright of Charleroi perform in his handcluff act at the Liberty Avenue Theatre.

PLAYS SLICK GAME BUT GAINS LITTLE

After working a slick game in Charleroi and collecting some funds, Douglas Robinson of Charleston, W. Va., is serving time in the lockup, because of his inability to pay his fine of \$6.85. Robinson said he had a partner who also worked the town yesterday, and they were to meet last evening at 7 o'clock at the local station.

Robinson palmed himself off as a civil engineer, working for the Wabash railroad, having maps and full equipment. The first place he went to was brought to the notice of the police was the boarding house of Mrs. Anna Shepler on McKean avenue. There he inquired for room and board, and was shown a room. He professed himself to be very much pleased and announced that he would take the room. He left saying that he would have his trunk brought, but in about ten minutes reappeared, and stated that he needed 61 cents with which to get his trunk. He made his plea in such a way as to entirely offset any suspicion and got the money.

The next place at which he is known to have gone was that of Mr. and Mrs. A. J. Gilliland on McKean avenue and Second street a few hours later. There he worked the same scheme and got 54 cents. By this time, however, the police were on his trail, and arrested him. At the hearing last night he was fined \$5.00, and costs of \$6.85, but failed to produce the coin and was sent back to prison. He is supposed to have worked other places.

At the hearing the man, who according to his own statement is but 24 years old, said that he had been drawn into the game by the companion, whose name was Roy. Roy, he said, lived at 613 Penn avenue, Pittsburg. They were to both work the town. Robinson said that his last work had been in October, when he was employed by the Hudson and Manhattan railroad in New York. The maps which he had in his possession bore the name of J. S. Menshaw, and were dated May 19, 1908, part of them being plans for a railroad line through Holly, N. Y.

Maurice River Oysters.

Charged with Blackmail.

On information of T. L. Younger, Constable H. W. Johnson of the Third ward, Washington, has been arrested, charged with blackmail. Younger had charge of a new house in which fires were lighted in the grates to dry out the plastering, and during his absence the house burned down. It is stated that Johnson wrote to Younger threatening to have him arrested for arson if he did not pay a certain sum of money. Both are colored.

To Celebrate Centennial.

The Washington centennial association will hold a public meeting Saturday, February 12, in commemoration of the 100th anniversary of the granting of a charter for the borough. It is the intention to celebrate the centennial proper with an Old Home Week next October.

YEAR MAY BE ADDED TO HIGH SCHOOL COURSE

River Rises Almost to the Flood Stage

The river, although still rising slightly from the heavy rain of the previous day or two, will not according to information received from the Lock No. 4 this morning reach the flood stage. However at about noon it was within about a half foot of what is known as the flood stage. At Lock No. 4 28 feet is recognized as that stage and the river at 11:30 o'clock had risen to 27 1-2 feet. No danger is anticipated by local rivermen, however.

BUSINESS MEN BECOME PROFICIENT IN ARTS KNOWN TO JUGGLERS

The slippery period is over, at least until the weather man provides some more greased lightning, but residents of the hill district who had to creep down Fifth street and other streets yesterday morning and hang on to life the best they could, after spending a day resting and recuperating from the arduous task of sliding toward work, have announced themselves as possessing a kindly feeling toward those persons who contributed furnace refuse for the purpose of antagonizing the icy highway. Yesterday morning, according to information, business men living on the hill cut more figures than they did since they were kids learning to skate. Many a fellow took a sudden liking to Highland flings and became so enthusiastic over his talent in that line that he insisted on performing in the middle of the street. This, with other artistic acrobatic stunts, enlivened the morning for those occasional who did not have to go down street and who could peep from the front window, and enjoy the spectacle.

Skating Party.

The management of the Charleroi Skating rink has issued invitations for a select skating party to be held tonight at the rink, skating to be from 7 to 11. The party will be the first of a series of Wednesday evening affairs, the purpose being to get the former patrons interested in the recreation.

Permanent Index Clerk.

Recorder J. C. Sutherland has appointed Thomas Ullom of Washington as his permanent index clerk. Miss Page of Clarion, who filled the office temporarily and helped install the present system, has returned to her home.

An Appendixless Population.

Nineteen operations for appendicitis have been performed at the Cottage Hospital at Connellsville since last June.

Authorities Plan to Bring Up Standard of Local School

OTHER CHANGES FAVORED

Would Institute College Entrance --Commercial and General Courses

The board of education and Superintendent of Schools James G. Pentz have under consideration the establishment of a four year's high school course and Superintendent Pentz has mapped out what he considers would be the most practical and best course for this place. It is planned to have three different courses, commercial, college entrance and general, any one of which a student could take. The school board will probably take up the matter in the near future for final consideration. One object in the change would be to increase the rank of the local high school from second to first place, and thereby gain an additional appropriation.

The college entrance course would be to prepare students so that they might enter any college, without extra preparation or conditioning. Since the High School was instituted here in 1896 there has been a three year course and classes have graduated even after two years high school work. The course as it now stands is not sufficient to prepare students for entrance to college.

The commercial course is for the purpose of preparing students for the business life. This course, in case the plan is adopted, would be most thorough and complete.

The general course would be in the nature of training for whatever vocation the student might desire to follow. It would be prepared with the idea of giving the persons taking it the best possible experience in the matters of every day life, as well as an ordinarily practical education. All three courses would be adapted to best suit local conditions.

The idea of a four year High School course in Charleroi is not altogether a new one. The necessity is great, and not only the standard of the High School itself would be raised, but also that of the town.

BOYS' BRIGADE CHOOSES SERGEANT AND CORPORALS

At a meeting last night of the Boys' Brigade in the Merchants Association rooms six non-commissioned officers were elected. It is the intention of the Brigade to take up battalion work and for this it was necessary to have another sergeant. The officers elected last night follow: First sergeant, Karl Schempp; first corporal, Thomas Blythe; second corporal, William Vetter; third corporal, Roy James; fourth corporal, Ralph Clutter bugler with rank as fifth corporal, Joseph Franks. The commissioned officers and part of the non-commissioned staff were elected previously. The brigade is planning to go to Monessen on February 4 to attend "The Drummer Boy of Shiloh," a play that was produced by them here a short time ago. To complete arrangements for this visit as well as to transact other important business, a meeting will be held next Tuesday evening in the Merchants Association rooms.

J. K. Tener Pres. S. A. Walton, Vice Pres. R. H. Rush, Cashier.

Why is it better to pay by check?

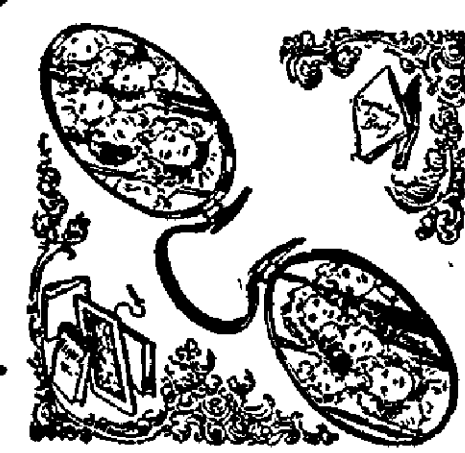

You do not run the risk of loss or overpayment when you pay by check, as you do in paying in currency

A check that has been paid by the bank is the best possible receipt.

Besides it is so convenient and inexpensive to send your check by mail.

Accounts, subject to check, cordially invited.

4 Per cent. Interest Paid on Savings Accounts
Depository for the State of Pennsylvania.

Eyes Need Examining

You should not defer having your Eyes looked after, as headaches and sickness often result from a neglect of eyes needing glasses. Don't fail to have your child's needs looked after in this line.

The Higher Law.

In its controversy with the Washington Observer relative to the assessment of property, the Connellsville Courier says that this town has created a higher law in this matter than the statutes of the State. Regarding this Higher Law, the Courier says:

"The custom of assessing property at less than its actual cash value as required by the law dates back a number of years ago, when the State taxes were burdensome and the communities sought to get as much relief as possible by the under valuation of their property. The rule has now become so fixed and universal that it cannot be changed, and for this reason it is in effect the Higher Law."

There is no doubt but what this Higher Law has saved millions of dollars to the taxpayers of the State in the past. When machine politics was at its worst, the fiscal powers of every borough, city and county was made to serve political ends. By keeping the assessed valuation below the actual value the opportunity to spend the public money was limited. While there was no necessity for higher taxes under a higher valuation, yet had the opportunity to levy it existed, it may be assured that the politicians would have taken advantage of it. In this way the Higher Law has prevented the public from being absolutely looted in the past, and it curbs the tendency toward public extravagance that is always present.

Will Adjust Assessments.

At a meeting held at Washington last week the county commissioners organized into a board of revision to fix valuations on the assessors' returns. Thomas Hill was chosen president of the revision board. The commissioners will go over the valuations and make adjustments. They will also fix the dates and send out notices for hearing appeals.

Social.

The Golden Rule Class of the First Christian Church will hold a social in the basement of the church on Friday evening at 7 o'clock. Admission 10 cents. Coffee, cake and ice cream will be served. 12844

FOR DYSPEPSIA

You Risk Nothing by Trying this Remedy.

We want every one troubled with indigestion and dyspepsia to come to our store and obtain a box of Real Dyspepsia Tablets. They contain Bismuth Subnitrate and Pepsin prepared by a process which develops their greatest power to overcome digestive disturbance.

Rexall Dyspepsia Tablets are very pleasant to take. They soothe the irritable weak stomach, strengthen and invigorate the digestive organs, relieve nausea and indigestion, promote nutrition and bring about a feeling of comfort.

If you give Rexall Dyspepsia Tablets a reasonable trial we will return you money if you are not satisfied with the result. Three sizes, 25 cents, 50 cents and \$1.00. Remember you can obtain Rexall Remedies in Charleroi only at our store—The Rexall Store. John W. Carroll.

If You Have Eczema.

If you have eczema would you like to get prompt relief and be permanently cured by a clean liquid preparation for external use? We always have this remedy in stock. We know the ingredients and know of its wonderful curative and healing properties. ZEMO has cured a great many chronic cases of eczema and other forms of skin and scalp disease. We will give you a booklet on skin disease and explain to you how you can be cured in your own home by this clean, simple remedy. ZEMO is pleasant to use and can be used freely on infants. It cures by drawing all germ life and poisons to the surface of the skin and destroying them leaving the skin clean and healthy. Piper Bros.

Ordinance No. 215.

An ordinance regulating the sale of milk and cream in the Borough of Charleroi, providing for the licensing of persons, firms and corporations to sell milk or cream in the Borough of Charleroi, providing for the marking of the wagon or truck with the name and number of the license; prohibiting the use of borax, boracic acid and other drugs and chemicals with milk, cream or butter; regulating the amount of fat to be contained in milk and cream; prohibiting the sale of milk or cream from residences infected with contagious diseases; regulating the housing and stabling of cows, including the ventilation thereof; regulating the feeding of cows; providing that cows be kept clean; prohibiting the sale of milk or cream from a house where the times of milking; regulating the care and manner of milking; and the handling of the milk at the dairies and on the wagons and vehicles; imposing a penalty for failure to procure license or for breach of any of the requirements of this ordinance.

Be it ordained and enacted by the Borough and town Council of the Borough of Charleroi, and it is hereby ordained and enacted by the authority of the same:

SECTION I.

No person or persons, firm or corporation shall sell milk or cream in the Borough of Charleroi without first annually before the first day of March, making application to the Board of Health, which application shall set forth his, her or their name, or names, together with the location of the route or place of business, and the name of the owner of and the location of the dairies and vehicles used in the production and care of said milk and cream; and the Board of Health, upon receipt of such application, shall issue a license to the applicant and the Board of Health for faithful compliance with all the rules and regulations of said Board of Health to carry on such business, which license shall be issued without charge and shall be displayed in every store, wagon, from which said milk or cream is sold.

SECTION II.

Each and every person or persons peddling milk or cream in the Borough of Charleroi shall have the wagon or other vehicle from which milk or cream is sold, conspicuously marked, in plain letters not less than three (3) inches high, with his, her or their name or names and the number of the license under which said milk or cream is sold. And each and every person or persons peddling milk or cream in the Borough of Charleroi without the use of wagon or other vehicle shall have each vessel or can used for this purpose plainly and legibly marked with the name and number of license, in conspicuous place in letters not less than one (1) inch in height.

SECTION III.

No person or persons, firm or corporation, shall offer or expose for sale, sell or have in their possession with intent to sell in the Borough of Charleroi any milk, cream or buttermilk, to which has been added borax, boracic acid, salicylate of soda, benzoate of soda, formalin or formaldehyde, or any other chemical compound or foreign substance whatsoever, including ice or water. The percentage of fat in milk is not to be less than three (3) per cent, and that of cream not less than fifteen (15) per cent. Vessels or cans containing buttermilk must be plainly labeled as such.

SECTION IV.

No milk shall be sold or handled by any person or persons to whose family or residence there is a case of smallpox, scarlet fever, diphtheria, typhoid fever, epidemic cerebro spinal meningitis (spotted fever), measles, or other communicable disease that may be disseminated by milk or its products, nor from any dairy or premises on which such diseases exist, except by permission of, and in the manner, prescribed by the Board of Health, and in accordance with the rules and regulations of the same. Department of Health, and it shall be the duty of every person having charge or control of any premises upon which cows are kept to notify the Board of Health of any such disease on the premises.

SECTION V.

No milk or cream shall be sold or exposed for sale in the Borough of Charleroi except from cows kept in light, dry and well ventilated stables and in all other respects in conformity with requirements set forth in the following rules:

Rule 1. Each cow shall have at least three (3) feet of wall space in the stable, fastened in stanchions, and in all cases where no adequate artificial means for ventilation are provided, each animal shall have an air space of at least five hundred (500) cubic feet.
Rule 2. Milk drawn from cows fed on mouldy feed or any substance in a state of putrefaction shall not be kept, sold or offered for sale in the Borough of Charleroi.
Rule 3. All stables for shelter of said cattle shall be provided with a tight, dry floor. The manure drop shall be so constructed as to provide a clean and sanitary stall.
Rule 4. The walls and ceilings of said stables shall be clean and free from dirt which might fall into the milk at the time of milking.
Rule 5. Manure shall not be allowed to accumulate in large quantities in the yards, nor near the buildings where the cattle are kept, and when stored temporarily in such places it shall be removed at least once a week to a distance of at least twenty-five (25) feet from said stable. The stable yards shall be drained and kept in good condition, and no accumulation of household garbage, vegetable or other putrescent matter shall be allowed to remain or decay in said stable yards.
Rule 6. Cattle, especially their udders and flanks, shall at all times be kept in a clean and sanitary condition.
Rule 7. No milk or cream shall be sold or offered for sale, or distributed, in the Borough of Charleroi obtained from any cow that has calved within five (5) days, or from a cow which will calve within twenty-one (21) days.

SECTION VI.

No milk or cream shall be sold or exposed for sale in the Borough of Charleroi except from cattle fed and watered under proper sanitary conditions and all food given shall be good and wholesome and the water supply pure and free from all contamination by stable or household drainage.

SECTION VII.

All milkers or other attendants employed in any dairy, the milk or cream from which is sold or offered for sale or delivered in the Borough of Charleroi shall be personally clean and healthy, and before milking or caring for the milk or cream, they shall be particularly to be attired in a clean suit of clothes and to wash their hands before handling the milk or cream and before milking.

SECTION VIII.

All milk pails, cans and other receptacles used for the production and transportation of milk or cream shall be of some non-absorbent material and shall before each use, be thoroughly washed with water and soap, and then scalded with boiling water or live steam, thoroughly aired and kept upside down in a cool place.

SECTION IX.

No milk or cream shall be kept for sale or distributed or handled, transferred to or from cans and bottles, or stored, in any stable or similar place, or in any room used wholly or in part for domestic or sleeping purposes.

SECTION X.

Milk or cream shall be stored or regularly mixed, cooled or poured from cans, only in a room not directly connected with a stable or stables, provided there is a tight floor, and kept constantly neat and clean, the walls of the room being of such a nature as to allow easy and thorough cleaning, and the room being of such size and construction as to prevent probable contamination, by dust, noxious gases, infections, organisms, or anything liable to impair the quality of such milk or milk products.

SECTION XI.

No water-closet or privy shall be in the adjacent room or in any room connected directly therewith, nor shall dogs or other domestic animals be allowed in these rooms at any time.

SECTION XII.

Whenever milk or cream is filtered or strained, cooled or stored in a room said room shall be such as is described in sections 10 and 11.

SECTION XIII.

No person or corporation shall deliver or bring into the Borough of Charleroi for sale, any milk or cream, unless such milk or cream is contained in a can or container sealed with a metal seal by the shipper thereof and unless such can or container

shall have such seal intact at the time it is brought into the borough.

SECTION XIV.

Milk or cream kept for sale in any store, shop, market, bakery, hotel, restaurant or other establishment, shall be always kept in a covered cooler box, or refrigerator, properly drained and cared for and while therein shall be tightly covered or closed, and only in such location and under such conditions as shall be approved by the Board of Health.

SECTION XV.

All cans, bottles or vessels of any sort used in the sale, delivery or distribution of milk or cream to the consumer must be clean and must be sterilized, boiled, baked, scalded or steamed, by the dealer, before they are again used for the same purpose.

SECTION XVI.

Under no circumstances shall a milk or cream dealer in the Borough of Charleroi, or his or her employees, take from a house within which any of the diseases mentioned in section 5 of these regulations exist any money, tickets, cans, bottles, etc., or enter such a house for any purpose whatsoever without written permission from the Board of Health.

SECTION XVII.

Whenever any of the diseases mentioned in Section 5 of these regulations become epidemic in the Borough of Charleroi as adjudged by the health authorities, the use of milk bottles, and such other containers as are left on consumers' premises by milk dealers or their employees, shall be discontinued within the Borough of Charleroi until such time as existing health conditions warrant the permission of the health authorities to resume their use.

Both the householder and the milk dealer will be held responsible for any violations of this regulation.

Each and every person, firm or corporation shall be liable to a fine of not less than \$2.50 or more than \$5.00 for each and every violation of this ordinance or of any of the several regulations herein contained, said fine or fines to be collected as other fines are by law collectible.

All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed.

PASSED AND ENACTED into an ordinance this 3rd day of January, 1910.

JOHN K. HELEN,
President of Council.

IRAL NICKESON,
Clerk of Council.

Examined and approved by me this 5th day of January, 1910.

GEORGE W. RISBECK,
Burgess.

FOURTEEN ERRORS OF LIFE

The fourteen mistakes of life, Judge Rentoul of London, told, the Bartholomew Club, are:

To attempt to set up our own standard of right and wrong and expect everybody to conform to it.

To try to measure the enjoyment of others by our own.

To expect uniformity of opinion in this world.

To look for judgment and experience in youth.

To endeavor to mold all dispositions alike.

Not to yield in unimportant trifles.

To look for perfection in our own actions.

To worry ourselves and others about what cannot be remedied.

Not to alleviate if we can all that needs alleviation.

Not to make allowance for the weaknesses of others.

To consider anything impossible that we cannot ourselves perform.

To believe only what our finite minds can grasp.

To live as if the moment, the time, the day were so important that it would live forever.

To estimate people by some outside quality, for it is that within which makes the man.

Are All Advertised Medicines Fakes?

As well ask "Are all doctors quacks?" or "Are all lawyers shysters?" We all know there are ignorant quacks; does that prevent anyone calling in his good, old family physician in case of need and trusting him? There are shysters, but there are also honorable lawyers to whom we confidently trust our lives and fortunes.

There are fake medicines, advertised; but they are not fakes because they are advertised. A good thing is worth advertising; we all want to know about it. The more a bad thing is advertised, the worse for it in the end.

Lydia E. Pinkham's Vegetable Compound is no fake; yet it is advertised; it advertises itself; and those who have used it are its best advertisers, and that free of cost.

Lydia E. Pinkham's Vegetable Compound has proved its merit by more than thirty years general use. This simple, old-fashioned remedy, made from roots and herbs, has become the standard medicine for ailments peculiar to women,—its fame is world-wide.

Read this plain, honest statement of what the medicine did for one woman; her own words; if you doubt, write and ask her.

Upper Sandusky, Ohio.—"Three years ago I was not feeling well and could hardly drag myself along. I had such tired feelings, my back hurt, my sides ached, I had bladder trouble awfully bad, and I could not eat or sleep. I had headaches, too, and became almost a nervous wreck. My doctor told me to go to a hospital. I did not like that idea very well, so when I saw your advertisement in a paper one day, I wrote to you for advice. I have done as you told me. I have taken Lydia E. Pinkham's Vegetable Compound, Blood Purifier, and Liver Pills, and used the Sanative Wash, and now I have my health. We keep your medicine always in the house."—Mrs. Benj. H. Stansbury, Route No. 6, Box 18, Upper Sandusky, Ohio.

The makers of Lydia E. Pinkham's Vegetable Compound have thousands of such letters—they tell the truth, and they could not have been obtained for love or money. This medicine is no stranger—it has stood the test of years.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

If the slightest trouble appears which you do not understand, write to Mrs. Pinkham at Lynn, Mass., for her advice—it is free and always helpful.

MORE BANK TALK

Did it ever occur to you why all good business men keep a checking account with a bank? We'll tell you. It enables them to keep their funds in a more secure place than the office safe. It gives them a better standing in the business world. It enables them to pay their bills by check, the returned check being an undisputable receipt.

Individuals find a checking account very convenient and a source of saving. Money in one's pocket is often spent on the spur of the moment, while one is disposed to think twice before drawing on his balance in the bank. Get the Savings Habit. Lay up for a rainy day. Start a bank account with the

TWO IMPORTANT MATTERS BEFORE THE CONVENTION

Powder Question and Matter of Wage Increase Will Provide Work

RESOLUTION IS PRESENTED

Cost of Living Has Increased and Innovations in Mines Has Meant Reductions

Local interest centers in the National convention of United Mine Workers of America which opened at Indianapolis yesterday. This convention will remain in session 11 days, at which time demands for a new scale of wages will be formulated, together with such other demands as the convention may see fit to impose.

Although the tailors for computing the vote for National officers by the various local unions over the country have not yet announced the result, it is definitely known that Thomas L. Lewis has been re-elected president after a bitter contest. At the opening session yesterday this claim was disputed by Lewis' opponent, Wm. Green of Ohio, and a somewhat stormy scene was enacted. It is probable, however, that strong efforts will be made to allay the internecine strife that has existed within the organization, particularly in the Fifth district, where District President Francis Feehan has had some clashes with National President Lewis. As these differences have practically resulted in a drawn battle, President Feehan retaining his prestige and support in his own district, while National President Lewis has been re-elected and supported by the country at large, it is probable that a truce may be declared, and all previous differences laid aside.

That the chief work of the convention will be devoted to the demand for an advance of wages and a settlement of the powder question, is evidenced by the following resolution, which has been presented the various locals in this district as a line of action for their delegates to the Indianapolis convention to follow:

"Whereas, The cost of living since 1906 has increased about 20 per cent, and no advance has been granted by the operators during the past four years, and

"Whereas, The system of screening the coal before it is weighed is both unfair and unjust, the operators enforcing a reduction through the methods of dumping coal, and by requiring the miners to use new explosives, which breaks the coal to a greater extent, the results of a test conducted by the International officials at the CharleROI mine showing that the miners have suffered a reduction of about 7 per cent during the present scale year; therefore be it

"Resolved, That in view of these facts that we, the members of Local Unions demand an increase of ten cents per ton, and that the coal shall be weighed on a run of mine basis exclusively, and that there shall be a 'uniform day wage scale for outside and inside labor, and a uniform agreement on deductions for the organization in all the districts comprising the Interstate joint agreement."

While other minor demands may be made from the operators the substance of this resolution will comprise the points on which a bitter contest may be waged. In addition to the demands for an advance in the coal, the demand that run of mine coal as the exclusive basis, is a most important

Street Car Has Its Turn at Doing Stunts

A north bound Pittsburg car in charge of Conductor Samuel Michener and Motorman Freeman Johnson went off the track a few rods north of the Speers station this morning. The car was due in CharleROI at 9:15 o'clock. A wreck crew was sent from the local barn and the car was replaced. Transferring of passengers around the wreck was necessary. There were several passengers on the car, it is stated, who were compelled to walk some distance to get another car.

LUTHER LEAGUE WORKERS WILL HOLD RALLY THIS WEEK AT MONONGAHELA

A Luther League rally will be held at the Monongahela Lutheran church on Thursday evening of this week under the direction of the Pittsburgh Central Luther League and the Tri-Luther League of the Monongahela valley, comprising the leagues of CharleROI, Monongahela and Monessen. The services will be in charge of Rev. M. M. Albeck of Monongahela. The principal speaker will be Rev. W. E. Baure of Pittsburg who will speak on "Lenten Observance." Harry Gehring of CharleROI, secretary of the Pittsburgh Central Luther League, will make an address on "The Possibilities of the Luther League." Discussion will follow. The rally will be an open one for the various league members and their friends of this section. It is supposed that a large number will go from CharleROI.

Neighbors Give Surprise.

A surprise party was tendered Mr. and Mrs. Frank Haywood at their home at Dunlevy last night which was a highly enjoyable affair. Mr. and Mrs. Haywood expect to leave for Kansas in about a month where they will make their future home. About 77 guests were present last night and they presented the host and hostess with a handsome rocker besides numerous other presents as a token of their esteem. Lunch was spread in the house of Mat Lynn, a brother of Mrs. Haywood who lives next door, where there was abundance of good cheer. The departure of the Haywood family will be regretted by their friends and neighbors.

Mrs. Pauline Rush, after a visit in CharleROI with friends, left today for Roncavette, W. Va., her home.

feature, as on its adoption hinges the settlement of the powder question, which very nearly precipitated a strike in this district during the past year, when the mine inspectors in many localities prohibited the use of black powder and ordered the use of new explosives. This, the miners claimed, reduced their earnings where screened coal was the scale basis, on account of the new explosives breaking up the coal more than the use of black powder.

After the Indianapolis convention the operators and miners will meet jointly at Toledo to agree upon a wage scale. The present scale expires April 1. This date will mark the beginning of a gigantic wage struggle if no agreement is reached. It is generally believed that there will be no strike, although the miners look for a suspension of a month or two of all operations before a scale is ultimately signed.

TEACHER ELECTED TO FILL VACANCY

The school board at a called meeting last night elected Miss Daisy Porch of Johnstown teacher to fill the vacancy existing in the fourth grade of the Crest avenue schools. The place was left vacant by the resignation of Miss Bertha Hawthorne who was married to Thomas L. Pollock, a well known Washington county instructor during the holidays. Miss Verne Horton of Oakmont was elected to the position and took her place on January 8 but remained only one day, resigning at the next meeting of the board. Miss Price G. Frye of CharleROI has been substituting.

Rev. Bemis Will Be Installed as Pastor of Church

This evening at the McClellandtown Presbyterian church, Rev. C. O. Bemis, the preacher over whom the Redstone Presbytery had much controversy, will be installed as pastor. The sermon will be preached by Rev. T. S. Negley of Little Redstone church. The charge to the pastor will be delivered by Rev. Perrin Baker of Belle Vernon and Rev. H. O. McDonald of Monessen will deliver the charge to the people.

Rev. Bemis has been stated supply of the congregation since last September, and at the last meeting of the Redstone Presbytery was made the regular pastor, upon the petition of members of the church.

Rev. Bemis was dismissed from the Presbytery at a meeting in Belle Vernon about three years ago, but refused to leave. Later he was again dismissed but still stuck to his job. The affair caused much trouble, but now all matters have been patched up.

Notice to the Public

Miss Mayme McGee, a teacher in the Ninth street school, has been off duty on account of illness. Miss Meyers, the principal of the Ninth street school, has been substituting for her.

Mrs. R. Parks is spending the day in Donora with relatives and friends.

Mrs. Harry Mann of Monongahela, who has been visiting her parents, Mr. and Mrs. W. H. Zellars of the Hotel CharleROI, this morning went to Donora.

F. W. Jones is a visitor today in Pittsburg.

J. E. Masters is a business visitor today in Pittsburg.

B. J. Brading of Providence, R. I., has arrived in CharleROI for a visit with friends.

Mrs. Herman Sturz has come to CharleROI from Brownsville for a visit with friends.

The 10-cent social announced by the Altar Guild of St. Mary's Episcopal church takes place tonight at 8:30 o'clock. Some of the attractions are chicken sandwiches, ice cream, cake, hot coffee, hot cocoa and the public is invited to partake of these delicacies.

W. B. Pfeleghardt, the well known Fallowfield avenue furniture dealer, left last evening on a trip to Chicago, Ill., and to Grand Rapids, Mich., on a business and pleasure trip. Mr. Pfeleghardt will visit the large furniture houses and factories in both these cities, and make some arrangements for the installing of a new line in his mammoth store which is now in the course of erection here.

Frank Taylor was a visitor in Pittsburg last night, going down to see C. W. Albright of CharleROI perform in his handoff act at the Liberty Avenue Theatre.

PLAYS SLICK GAME BUT GAINS LITTLE

After working a slick game in CharleROI and collecting some funds, Douglas Robinson of CharleROI, W. Va., is serving time in the lockup, because of his inability to pay his fine of \$8.85. Robinson said he had a partner who also worked the town yesterday, and they were to meet last evening at 7 o'clock at the local station.

Robinson palmed himself off as a civil engineer, working for the Wabash railroad, having maps and full equipment. The first place he went to was brought to the notice of the police was the boarding house of Mrs. Anna Shepler on McKean avenue. There he inquired for room and board, and was shown a room. He professed himself to be very much pleased and announced that he would take the room. He left saying that he would have his trunk brought, but in about ten minutes reappeared, and stated that he needed 61 cents with which to get his trunk. He made his plea in such a way as to entirely offset any suspicion and got the money.

The next place at which he is known to have gone was that of Mr. and Mrs. A. J. Gilliland on McKean avenue and Second street a few hours later. There he worked the same scheme and got 54 cents. By this time, however, the police were on his trail, and arrested him. At the hearing last night he was fined \$5.00 and costs or \$8.85, but failed to produce the coin and was sent back to prison. He is supposed to have worked other places.

At the hearing the man, who according to his own statement is but 24 years old, said that he had been drawn into the game by the companion, whose name was Roy. Roy, he said, lived at 613 Penn avenue, Pittsburg. They were to both work the town. Robinson said that his last work had been in October, when he was employed by the Hudson and Manhattan railroad in New York. The maps which he had in his possession bore the name of J. S. Menshaw, and were dated May 19, 1908, part of them being plans for a railroad line through Holly, N. Y.

Charged with Blackmail.

On information of T. L. Younger, Constable H. W. Johnson of the Third ward, Washington, has been arrested, charged with blackmail. Younger had charge of a new house in which fires were lighted in the grates to drive out the plastering, and during his absence the house burned down. It is stated that Johnson wrote to Younger threatening to have him arrested for arson if he did not pay a certain sum of money. "But the colors."

To Celebrate Centennial.

The Washington centennial association will hold a public meeting Saturday, February 12, in commemoration of the 100th anniversary of the granting of a charter for the borough. It is the intention to celebrate the centennial proper with an Old Home Week next October.

YEAR MAY BE ADDED TO HIGH SCHOOL COURSE

River Rises Almost to the Flood Stage

The river, although still rising slightly from the heavy rain of the previous day or two, will not according to information received from the Lock No. 4 this morning reach the flood stage. However at about noon it was within about a half foot or what is known as the flood stage. At Lock No. 4 23 feet is recognized as that stage and the river at 11:30 o'clock had risen to 27 1-2 feet. No danger is anticipated by local rivermen, however.

BUSINESS MEN BECOME PROFICIENT IN ARTS KNOWN TO JUGGLERS

The slippery period is over, at least until the weather man provides some more greased lightning, but residents of the hill district who had to creep down Fifth street and other streets yesterday morning and hang on to life the best they could, after spending a day resting and recuperating from the arduous task of sliding toward work, have announced themselves as possessing a kindly feeling toward those persons who contributed furnace refuse for the purpose of antagonizing the icy highway. Yesterday morning, according to information, business men living on the hill cut more figures than they did since they were kids learning to skate. Many a fellow took a sudden liking to Highland flings and became so enthusiastic over his talent in that line that he insisted on performing in the middle of the street. This, with other artistic acrobatic stunts, enlivened the morning for those occasional who did not have to go down street and who could peep from the front window, and enjoy the spectacle.

Skating Party.

The management of the CharleROI Skating rink has issued invitations for a select skating party to be held tonight at the rink, skating to be from 7 to 11. The party will be the first of a series of Wednesday evening affairs, the purpose being to get the former patrons interested in the recreation.

An Appendixless Population

Nineteen operations for appendicitis have been performed at the Cottage Hospital at Conneville since last June.

Authorities Plan to Bring Up Standard of Local School

OTHER CHANGES FAVORED

Would Institute College Entrance —Commercial and General Courses

The board of education and Superintendent of Schools James G. Pentz have under consideration the establishment of a four year's high school course and Superintendent Pentz has mapped out what he considers would be the most practical and best course for this place. It is planned to have three different courses, commercial, college entrance and general, any one of which a student could take. The school board will probably take up the matter in the near future for final consideration. One object in the change would be to increase the rank of the local high school from second to first place, and thereby gain an additional appropriation.

The college entrance course would be to prepare students so that they might enter any college, without extra preparation or conditioning. Since the High School was instituted here in 1896 there has been a three year course and classes have graduated even after two years high school work. The course as it now stands is not sufficient to prepare students for entrance to college.

The commercial course is for the purpose of preparing students for the business life. This course, in case the plan is adopted, would be most thorough and complete.

The general course would be in the nature of training for whatever vocation the student might desire to follow. It would be prepared with the idea of giving the persons taking it the best possible experience in the matters of every day life, as well as an ordinarily practical education. All three courses would be adapted to best suit local conditions.

The idea of a four year High School course in CharleROI is not altogether a new one. The necessity is great, and not only the standard of the High School itself would be raised, but also that of the town.

BOYS' BRIGADE CHOOSES SERGEANT AND CORPORALS

At a meeting last night of the Boys' Brigade in the Merchants Association rooms six non-commissioned officers were elected. It is the intention of the Brigade to take up battalion work and for this it was necessary to have another sergeant. The officers elected last night follow: First sergeant, Karl Schempp; first corporal, Thomas Blythe; second corporal, William Vetter; third corporal, Roy James; fourth corporal, Ralph Clutter bugler with rank as fifth corporal, Joseph Franks. The commissioned officers and part of the non-commissioned staff were elected previously. The Brigade is planning to go to Monessen on February 4 to attend "The Drummer Boy of Shiloh," a play that was produced by them here a short time ago. To complete arrangements for this visit as well as to transact other important business, a meeting will be held next Tuesday evening in the Merchants Association rooms.

J. K. Finner, Pres. S. A. Walton Vice Pres. R. H. Rush, Cashier.

Why is it better to pay by check?

You do not run the risk of loss or overpayment when you pay by check, as you do in paying in currency

A check that has been paid by the bank is the best possible receipt.

Besides it is so convenient and inexpensive to send your check by mail.

Accounts, subject to check, cordially invited.

4 Per cent. Interest Paid on Savings Accounts
Depository for the State of Pennsylvania.

Eyes Need Examining

You should not defer having your Eyes looked after, as headaches and sickness often result from a neglect of eyes needing glasses. Don't fail to have your child's needs looked after in this line.

Entered to the Post Office at Charleroi, Pa., as second class matter

The Higher Law.

In its controversy with the Washington Observer relative to the assessment of property, the Connellsville Courier says that custom has created a higher law in this matter than the statutes of the State. Regarding this Higher Law, the Courier says:

"The custom of assessing property at less than its actual cash value as regulated by the State is a matter of years ago, when the State taxes were burdensome and the communities sought to get as much relief as possible by the under valuation of their property. The rule has now become so fixed and universal that it cannot be changed, and for this reason it is in effect the Higher Law."

There is no doubt but what this Higher Law has saved millions of dollars to the taxpayers of the State in the past. When machine politics was at its worst, the fiscal powers of every borough, city and county was made to serve political ends. By keeping the assessed valuation below the actual value the opportunity to spend the public money was limited. While there was no necessity for higher taxes under a higher valuation, yet had the opportunity to levy it existed, it may be assured that the politicians would have taken advantage of it. In this way the Higher Law has prevented the public from being absolutely looted in the past, and it curbs the tendency toward public extravagance that is always present.

Will Adjust Assessments.

At a meeting held at Washington last week the county commissioners organized into a board of revision to fix valuations on the assessors' returns. Thomas Hill was chosen president of the revision board. The commissioners will go over the valuations and make adjustments. They will also fix the dates and send out notices for hearing appeals.

Social.

The Golden Rule Class of the First Christian Church will hold a social in the basement of the church on Friday evening at 7 o'clock. Admission 10 cents. Coffee, cake and ice cream will be served. 12844

FOR DYSPEPSIA

You Risk Nothing by Trying this Remedy.

We want every one troubled with indigestion and dyspepsia to come to our store and obtain a box of Real Dyspepsia Tablets. They contain Bismuth Subnitrate and Pepsin prepared by a process which develops their greatest power to overcome digestive disturbance.

Real Dyspepsia Tablets are very pleasant to take. They soothe the irritable weak stomach, strengthen and invigorate the digestive organs, relieve nausea and indigestion, promote nutrition and bring about a feeling of comfort.

If you give Real Dyspepsia Tablets a reasonable trial we will return you money if you are not satisfied with the result. Three sizes, 25 cents, 50 cents and \$1.00. Remember you can obtain Real Remedies in Charleroi only at our store—The Rex all Store. John W. Carroll.

If You Have Eczema.

If you have eczema would you like to get prompt relief and be permanently cured by a clean liquid preparation for external use? We always have this remedy in stock. We know the ingredients and know of its wonderful curative and healing properties. ZEMO has cured a great many chronic cases of eczema and other forms of skin and scalp disease. We will give you a booklet on skin disease and explain to you how you can be cured in your own home by this clean, simple remedy. ZEMO is pleasant to use and can be used freely on infants. It cures by drawing all germ life and poisons to the surface of the skin and destroying them leaving the skin clean and healthy. Piper Bros.

ROOM TO RENT—Large Front Furnished, on Fallowfield Avenue. Call Daily Mail office No. 78. 1274360d

Ordinance No. 215.

An ordinance regulating the sale of milk and cream in the Borough of Charleroi, providing for the licensing of persons, firms and corporations to sell milk or cream in the Borough of Charleroi, providing for the marking of milk or cream with the name and number of the licensee, prohibiting the mixture of buttermilk, whey and other drugs and chemicals with milk, cream or butter, regulating the amount of fat to be contained in milk and cream, prohibiting the sale of milk or cream from residences infected with contagious diseases, regulating the housing and stabling of cows, including the ventilation thereof, regulating the food of cows; providing that cows be kept clean; prohibiting the sale of milk or cream from cows with certain specified times of milking; regulating the care and manner of milking and the handling of the milk at the dairies and on the wagons and vehicles, imposing a penalty for failure to procure license or for breach of any of the requirements of this ordinance.

Be it ordained and enacted by the Borough and Town Council of the Borough of Charleroi and it is hereby ordained and enacted by the authority of the said Council:

SECTION I.

No person or person, firm or corporation shall sell milk or cream in the Borough of Charleroi without first annually before the first day of March making application to the Board of Health, which application shall set forth his, her or their name or names, together with the location of their residence or place of business, the location of the dairy, and the location of the dairies from which they obtain milk or cream, and such other information relating to the care of said dairy and the production and sale of milk and cream as may be deemed necessary by said Board of Health, and application to constitute an agreement between the applicant and the Board of Health.

SECTION II.

Each and every person or person peddling milk or cream in the Borough of Charleroi shall have the wagon or other vehicle from which milk or cream is sold, enclosed completely marked on the left side with the name of the person or persons, together with his, her or their name or names and the number of the license under which he or she or they sell milk or cream, and every person or person peddling milk or cream in the Borough of Charleroi without the use of wagon or other vehicle shall have each vessel or can used for this purpose, plainly and legibly marked with the name and number of the person or persons in letters at least 1/2 inch in height.

SECTION III.

No person or persons, firm or corporation shall offer or expose for sale, sell or have in their possession with intent to sell in the Borough of Charleroi any milk, cream or buttermilk to which has been added borax, boric acid, salicylate of soda, benzoate of soda, formalin or formaldehyde or any other chemical compound or for any substance whatsoever, including ice or water. The percentage of fat in milk is not to be less than three (3) per cent, and that of cream not less than fifteen (15) per cent, and every can containing buttermilk must be plainly labeled as such.

SECTION IV.

No milk shall be sold or handled by any person or persons in whose family or residence there is a case of smallpox, scarlet fever, diphtheria, typhoid fever, emphysema, or any other communicable disease, or any other communicable disease that may be communicated by milk or cream, nor from any dairy or premises on which such diseases exist, except in compliance with the regulations of the Board of Health, and in accordance with the rules and regulations of the State Department of Health, and it shall be the duty of every person having the control of any premises upon which cows are kept to notify the Board of Health of any such disease on the premises.

SECTION V.

No milk or cream shall be sold or exposed for sale in the Borough of Charleroi, except from a dairy or from a place where the milk is produced and in all other cases it shall conform with requirements set forth in the following rules:

Rule 1. Each cow shall have at least three (3) feet in width of floor space, well fastened in stanchions, and in all cases where no adequate artificial means for ventilation are provided, each animal shall have an amount of at least one hundred (100) cubic feet.

Rule 2. Milk drawn from cows tied on mounds, feed or any substance in a state of decomposition shall not be kept or offered for sale in the Borough of Charleroi.

Rule 3. All stables for shelter of said cattle shall be provided with a tight dry floor, and the drainage shall be so constructed as to provide a clean and sanitary stall.

Rule 4. The walls and ceilings of said stables shall be clean and free from dirt which might fall into the milk at the time of milking.

Rule 5. Napery shall not be allowed to be used in the stables, and the same shall be kept out of the stables where the cattle are kept, and when stored temporarily in such places it shall be removed at least once a week to a distance of at least twenty (20) feet from said stables. The stable yards shall be drained and kept in good condition, and no accumulation of household garbage, vegetable or other putrescent matter shall be allowed to remain or decay in said stable yards.

Rule 6. Cattle especially their udders and flanks shall at all times be kept in a clean and sanitary condition.

Rule 7. No milk or cream shall be sold or offered for sale, or distributed in the Borough of Charleroi obtained from any cow that has calved within five (5) days or from a cow which will calve within twenty-one (21) days.

SECTION VI.

No milk or cream shall be sold or exposed for sale in the Borough of Charleroi, except from a dairy or from a place where the milk is produced and in all other cases it shall conform with requirements set forth in the following rules:

SECTION VII.

All milkers or other attendants employed in any dairy, the milk of cream from which is sold or offered for sale or delivered in the Borough of Charleroi, shall be personally clean and healthy, and before milking or caring for the milk or cream, they shall be particular to be attired in a clean suit of clothes and to wash their hands before handling the milk or cream and before milking.

SECTION VIII.

All milk pails, cans and other receptacles used for the production and transportation of milk or cream shall be of some non-absorbent material and shall before each use be thoroughly washed with water and soap or soda and when scalded with boiling water or live steam, thoroughly dried and kept upside down in a cool place.

SECTION IX.

No milk or cream shall be kept for sale or distributed or handled, transferred to or from cans and bottles, or stored in any stables or similar place, or in any room used wholly or in part for domestic or sleeping purposes.

SECTION X.

Milk or cream shall be stored or regularly moved, cooled or poured from cans, only in a room not directly connected with a stable or stables, provided with a tight floor, and kept constantly neat and clean, the walls of the room being of such nature as to allow easy and thorough cleaning and the room being of such size and construction as to prevent probable contamination by dust, noxious gases, infections, or anything liable to impair the quality of such milk or milk products.

SECTION XI.

No water-closet or privy shall be in the aforesaid room nor in any room connected directly therewith, nor shall dogs or cats or other domestic animals be allowed in the rooms at any time.

SECTION XII.

Whenever milk or cream is filtered or strained, cooled or stored in room said room shall be such as is described in sections 10 and 11.

SECTION XIII.

No person or corporation shall deliver or bring into the Borough of Charleroi for sale, any milk or cream, unless such milk or cream is contained in a can or container sealed with a metal seal by the shipper thereof and unless such can or container

shall have such seal intact at the time it is brought into the borough.

SECTION XIV.

Milk or cream kept for sale in any store, shop, market, bakery, hotel, restaurant or other establishment, shall be always kept in a covered cooler box or refrigerator properly secured and covered, and while therein shall be tightly covered or closed, and only in such location and under such conditions as shall be approved by the Board of Health.

SECTION XV.

All cans, bottles or vessels of any sort used in the sale, delivery or distribution of milk or cream to the consumer must be clean and must be sterilized, boiled, baked, scalded or steamed by the dealer before they are again used for the same purpose.

SECTION XVI.

Under no circumstances shall a milk or cream dealer in the Borough of Charleroi, or his or her employees, take from a horse within a half hour of the diseases mentioned in section 7 of these regulations, except an empty pail, can, bottle, etc., or enter such a house for any purpose whatsoever without written permission from the Board of Health.

SECTION XVII.

Whenever any of the diseases mentioned in section 7 of these regulations become contagious in the Borough of Charleroi, the use of milk bottles and such other containers as are left on consumers' premises by milk dealers or their employees, shall be discontinued until such time as existing health conditions warrant the resumption of a health authority to re-use their use.

Both the householder and the milk dealer will be held responsible for any violations of this regulation.

Each and every person firm or corporation shall be liable to a fine of not less than \$1.00, or more than \$5.00, for each violation of this ordinance.

ORDAINED AND ENACTED into an Ordinance this 2nd day of January, 1910.

RAL. WICKESON, Clerk of Council.
GEORGE W. RISBEEK, Burgess.

FOURTEEN ERRORS OF LIFE

The fourteen mistakes of life, Judge Rentoul of London, told the Bartholomew Club, are:

- To attempt to set up our own standard of right and wrong and expect everybody to conform to it.
- To try to measure the enjoyment of others by our own.
- To expect uniformity of opinion in this world.
- To look for judgment and experience in youth.
- To endeavor to mold all dispositions alike.
- Not to yield in unimportant trifles.
- To look for perfection in our own actions.
- To worry ourselves and others about what cannot be remedied.
- Not to alleviate if we can all that needs alleviation.
- Not to make allowance for the weaknesses of others.
- To consider anything impossible that we cannot ourselves perform.
- To believe only what our finite minds can grasp.
- To live as if the moment, the time, the day were so important that it would live forever.
- To estimate people by some outside quality, for it is that within which makes the man.

Are All Advertised Medicines Fakes?

As well ask "Are all doctors quacks?" or "Are all lawyers shysters?" We all know there are ignorant quacks; does that prevent anyone calling in his good, old family physician in case of need and trusting him? There are shysters, but there are also honorable lawyers to whom we confidently trust our lives and fortunes.

There are fake medicines, advertised; but they are not fakes because they are advertised. A good thing is worth advertising; we all want to know about it. The more a bad thing is advertised, the worse for it in the end.

Lydia E. Pinkham's Vegetable Compound is no fake; yet it is advertised; it advertises itself; and those who have used it are its best advertisers, and that free of cost.

Lydia E. Pinkham's Vegetable Compound has proved its merit by more than thirty years general use. This simple, old-fashioned remedy, made from roots and herbs, has become the standard medicine for ailments peculiar to women.—its fame is world-wide.

Read this plain, honest statement of what the medicine did for one woman; her own words; if you doubt, write and ask her.

Upper Sandusky, Ohio. — "Three years ago I was not feeling well and could hardly drag myself along. I had such tired feelings, my back hurt, my sides ached, I had bladder trouble awfully bad, and I could not eat or sleep. I had headaches, too, and became almost a nervous wreck. My doctor told me to go to a hospital. I did not like that idea very well, so when I saw your advertisement in a paper one day, I wrote to you for advice. I have done as you told me. I have taken Lydia E. Pinkham's Vegetable Compound, Blood Purifier, and Liver Pills, and used the Sanative Wash, and now I have my health. We keep your medicine always in the house. — Mrs. Benj. H. Stansbery, Route No. 6, Box 18, Upper Sandusky, Ohio.

The makers of Lydia E. Pinkham's Vegetable Compound have thousands of such letters—they tell the truth, and they could not have been obtained for love or money. This medicine is no stranger—it has stood the test of years.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

If the slightest trouble appears which you do not understand, write to Mrs. Pinkham at Lynn, Mass., for her advice—it is free and always helpful.
